

“The purpose of Bridges to College is to encourage local students to pursue post-secondary education through the use of mentorship, programming, and scholarships.”

Dear Supporter of Bridges to College,

The Karlh McCallister Memorial/Bridges To College Golf Tournament is a vital component of our annual financial planning. In turn, these funds go directly to programming efforts that directly enhance the access local students here in Darke County have to secondary education. Increased funding from our donors and community partners has enabled our organization to grow our outreach and make an even greater impact in the lives of our mentees.

We refer to our Director, Anne McKinney, as a “College Coach” to our youth and families, be it guidance on traditional four year universities, or two year or trade/skill based career paths.

High Impact Areas of Growth as a Direct Result of Donor and Community Partner Support

- College Visit Program- 150+ students are provided the opportunity to visit local colleges and universities
- Professional College Counseling- Personal 1:1 college counseling at no charge to area families
- Financial Aid Guidance- Case by case financial counseling, FAFSA help, finding scholarships

This will be our 12th year partnering with the McCallister family for the event as Karlh was one of the founding members of the organization. We would like to invite you to participate by registering a team or becoming a sponsor.
